**Re: High Cost Certification of Centennial Beauregard Cellular LLC, Centennial Caldwell Cellular Corp., Centennial Hammond Cellular LLC, Centennial Morehouse Cellular LLC and Centennial Lafayette Communications LLC.
LPSC Docket No. U-27174**

Dear Mr. St. Blanc:

This certification is provided pursuant to 47 C.F.R. §§ 54.313 and 54.314. On behalf of Centennial Beauregard Cellular LLC, Centennial Caldwell Cellular Corp., Centennial Hammond Cellular LLC, Centennial Morehouse Cellular LLC and Centennial Lafayette Communications LLC. (collectively, the "Companies"), I hereby certify under penalty of perjury that all high-cost universal service support provided to the Companies for the 2006 calendar year will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, pursuant to Section 254(e) of the Telecommunications Act of 1996.

The Louisiana Public Service Commission ("LPSC") issued Order No. U-27174 on May 26, 2004 designating the Companies as eligible telecommunications carriers ("ETCs") in the State of Louisiana, effective January 14, 2004. The Companies were subsequently certified as ETCs with the FCC and USAC. The Companies' eligibility to receive continued ETC support for the 2006 calendar year is dependent upon the LPSC providing re-certification of the Companies' eligibility to the FCC and USAC on or before October 1, 2005. See 47 C.F.R. §§ 54.313(d)(3)(i) and 54.314(d). Accordingly, the Companies hereby request that the LPSC transmit a letter to the FCC and USAC to provide for the certification. The letter will need to be received by the FCC and USAC on or before October 1, 2005 to be effective.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact me at (732) 556-2261.
